

SOUTHPORT

33 DC

33 DC

OVERVIEW

The Dual Console is designed on the proven platform of the Southport 33 with the added amenities for the owner who wants a boat that can truly do it all.

For those who want to cruise, entertain, and relax with friends and family, the 33 DC offers plush cushions, seating for everyone, a private head, and even a comfortable space to get out of the sun. The three distinct social spaces let everyone hang out in their favorite spot, and the captain never feels left out.

The DC remains true to the fishing DNA heritage of Southport and doesn't feel out of place loaded with rods, crew, ice, and gear. When setup with additional rod holders, outriggers, and coldplates, she is right at home offshore, with the added protection of the enclosed bridgedeck and cabins.
