SOUTHPORT
EXPERIENCE EXCELLENCE

THE SOUTHPORT STORY

Southport Boats is the culmination of a dream that began in North Carolina when a team of experienced boat builders, passionate fishermen, and offshore racing enthusiasts joined forces to develop a unique and revolutionary new boat design.

The result was a Center Console riding on a hull that was impressive in every aspect. The new hull provided stability, a dry, soft ride, and great handling. This hull form, paired with the classic flare and sheer, created the classic look Southports are known for.

EXPERIENCE THE BEST RIDE OF YOUR LIFE.

LENGTH: 30'0" / BEAM: 10'6" / DEADRISE: 22° / WEIGHT: 7,900 LBS / DRAFT: 20"

FUEL: 232 GAL / FRESHWATER: 20 GAL / LIVEWELL: 35 GAL / STANDARD POWER: 600 HP / MAX POWER: 700 HP

30 FE

OVERVIEW

The Southport 30 represents a new step forward in the design and layout of the mid-sized member of the Southport center console lineup.

The new design increases space on deck and adds modern touches to the layout. The 30 offers increased aft and forward cockpit space for fishing and entertaining, with some all new features including insulated transom fishbox (in addition to the classic floor boxes), newly designed mezzanine seating, rear swim decks, and an even more comfortable console interior.

Although it is a Family Edition layout, the 30 FE provides the dual-purpose functionality that makes the boat so desirable as a fishing platform on Saturday and a family entertainer on Sunday. Forward seating converts into a casting deck or Sunpad, and the folding aft beck seat quickly converts the back of the boat from lounge space to fishing space in a snap.

CUSTOMIZATION

YOUR SOUTHPORT, BUILT TO YOUR SPECIFICATIONS

Each Southport is an extension of its owner and their personality, which is why we strive to accommodate each and every customer's individual requests, whether large or small. Customizations can be done for a variety of reasons: to improve our already great fishability, cater to a specific use, or simply be for aesthetics. No matter the reason, we take each request seriously.

Custom Colors and Patterns
Color matched seats, cushions, and floor coverings all come together to give the precise look.

Engine Painting
Custom paint colors and decal styles complete the look.

Customized Equipment
Specialized outriggers, rod holder placements, and livewell layout.

Built For How You Use Your Boat: Fish
Make your Southport the ultimate fishing machine.

Built For How You Use Your Boat: Relax
Make your Southport the go-to place for a relaxing drink.

Your Ideas: Brought to Life
Owners know best—tell us your ideas and we will do the rest.

Safety
Outfit your Southport with additional safety and technology features that will make your boating experience effortless.

Quality
Even the smallest details are painstakingly attended to, keeping your boat running and holding value for years to come.

Warranty
Because we never skip on quality, we know we can stand behind our products for years to come.
